

FREEDOM TABLE STAND

The Optimum Choice

The Freedom Table Stand is the optimum choice in tabletop mounting systems. Its innovative design is both sturdy and adjustable. With the capability to adjust the height and the device position without tools it is easy to use the Freedom Table Stand.

The Flat U-shape base helps to eliminate wasted table space, by allowing books and other items to lie on top of the flat legs. The flat legs also make it easy to secure the Freedom Stand to a tabletop.

Advantages:

- No tools required to assemble or adjust
- Universal positioning
- Manufactured from high quality aircraft aluminum and steel
- Works well with Eye gaze systems
- Easy to disassemble and transport
